

**47th Session of the WCRP
Joint Scientific Committee (JSC-46)
Outline Agenda (open session)**

DRAFT: 1 April 2026

April 27 – 29: Online session

Background

- This 47th meeting of WCRP's Joint Scientific Committee (JSC-47) assesses progress made towards WCRP's goals and ambitions and focusses on priorities for the future of the Programme in the current financial climate. The sessions will be via the WMO Zoom Meeting platform (details sent separately)
- Presentations and/or reports will be made available in advance of the meeting. Due to the limited meeting time, please make sure you read through these documents in advance. See <https://www.wcrp-climate.org/jsc47>
- During the virtual meeting, questions can be submitted via the Chat Box. A member of the WCRP Secretariat will moderate the chat and notify the chair as applicable.
- Unless otherwise asked, Carlos will run all presentations to ensure a smooth transition between sessions. If you have any technical issues during the session, please let us know in the chat or email a member of the secretariat.
- Attendance at this virtual JSC-47 is by invitation only. Should you wish to attend, please contact Mike Sparrow (msparrow@wmo.int). Timings are given for certain areas in the three sessions. Please see <https://www.timeanddate.com/worldclock/meeting.html> for the respective times in your area.
