# JSC Opening Session

## Guidelines for the JSC-41B Videoconference

1. WCRP Secretariat will monitor the Chat Box. If you wish to ask a question or make an intervention then please use the ! in the Chat Box.
  - You are also welcome to make a comment or ask a question in the Chat Box.
2. Session Chairs and Rapporteurs have been nominated to both run, and capture the discussion, for each Session.
  - To assist the Rapporteurs, the Sessions are being recorded, and a copy of the Chat content retained as well. Please advise the Chair if you have concerns regarding this.
3. Speakers are respectfully asked to limit their presentations to their allocated time. In order to help timekeeping Wenchao ([wcao@wmo.int](mailto:wcao@wmo.int)) will present unless you request otherwise.
4. If you have a technical problem at any time, please email Catherine ([catherine.michaut@ipsl.fr](mailto:catherine.michaut@ipsl.fr)).
5. Please Mute yourself when not participating in the discussion (and remember to Unmute when you start speaking).
  - Also, the Chair will let you know if we cannot hear you, so there is no need to ask if we can 😊

# Goals of the JSC-41B Session

- *Welcome to this Extraordinary JSC-41B session*
- ***Attendance at this virtual JSC-41B is by invitation only***
- *The focus of the meeting will be on the implementation of the WCRP Strategic Plan 2019-2028 and future element*
- *Reporting is limited to presentation of the results from “homework” assignments and discussions*

COUNCIL  
FOR SCIENCE

# Goals of the JSC-41B Session

*To this end, we will:*

- Hear back from the WCRP family on progress toward the implementation of the new WCRP.*
- Receive their reports and proposals for changes.*
- Come to conclusions and decisions that will allow the soft implementation of new structures and their respective governance elements.*
- Decide on additional activities that will be required leading up to the JSC-42 meeting in mid-2021.*

**JSC-41B marks the transition to the new WCRP structure, with a “soft transition” starting at the beginning of 2021.**
