 - GMD paper status (GJB,DS)
 - DCPD website (GJB, MR)
 - links (including to Component C patterns at NCAR) (GD,DS)
 - on-line forum (FDR)
 - (logo?)
 - email to potential participants (stress any or all Components/experiments)? (GJB,DS)
 - problems/actions (all)

13:00-14:00 LUNCH

❖ **14:00-17:00 SESSION TWO (with break at 15:00)**

- Other items, considerations, recommendations (all)
 - drift amelioration, bias adjustment (DS,FDR)
 - statistical/empirical benchmarks (FDR)
 - downscaling?
 - other?

3. 2nd International Workshop on Seasonal to Decadal Prediction (DS, MR,...)

- venue, time
- scientific/local arrangements committees
- travel and other support

4. Organization and future of the DCP

- *current status*, reporting (FDR, KM, MR)
- *connections* with
 - WCRP Grand Challenge (YK remotely at 16:00)
 - WMO “operational” groups CBS , ET-OPSLS...(BM)
 - GFCS (MR for Filipe Lucio)
 - Copernicus (AB)
 - other
- *reorganization/ renewal* of Panel membership (DS/GJB,FDR,BM, all)
- *action items* (MR)
