

# SAI workshop: Registration & Title/Abstract Submission

The SAI Workshop will be held between 6 - 9 October 2025 via Zoom.

It will be spread over four sessions to accommodate different time zones, with the following *preliminary* schedule:

**Session 1: 6 October 2025, 18:00 - 21:00 UTC**

**Session 2: 7 October 2025, 15:00 - 18:00 UTC**

**Session 3: 8 October 2025, 09:00 - 12:00 UTC**

**Session 4: 9 October 2025, 06:00 - 09:00 UTC**

Note that the number and length of Sessions may be adjusted depending on indicated preferences and abstract submissions.

*We plan to record talks and discussions for all sessions, with the recordings open to be viewed by registered participants.*

**Email Address**

**First Name**

**Last Name**

**Affiliation**

**Country**

**Career Level**

Undergraduate Student

Postgraduate Student

Researcher

Professor (or similar leadership position)

Non-Academic

**Research Interest(s)****Which sessions do you plan to attend *live*?**

*You may select more than one.*

Session 1: Monday, 6 Oct, 21:00 - 00:00 UTC

Session 2: Tuesday, 7 Oct, 15:00 - 18:00 UTC

Session 3: Wednesday, 8 Oct, 09:00 - 12:00 UTC

Session 4: Thursday, 9 Oct, 06:00 - 09:00 UTC

**Presentation**

***(If you select 'Yes', please continue with the following questions.***

***If you select 'No', you successfully completed the questionnaire.)***

Yes, I plan to give a short presentation.

No, I will not present anything.

**In which sessions can you give your presentation?**

*You may select more than one*

Session 1: Monday, 6 Oct, 21:00 - 00:00 UTC

Session 2: Tuesday, 7 Oct, 15:00 - 18:00 UTC

Session 3: Wednesday, 8 Oct, 09:00 - 12:00 UTC

Session 4: Thursday, 9 Oct, 06:00 - 09:00 UTC

**How long do you want to present?**

*Please be aware that many people find it difficult to follow a series of long detailed presentations, especially online. A short overview that shows highlights and key results in a compact form may be more efficient and is encouraged!*

**Which of the following themes will be addressed by your presentation?**

*Please select all that apply*

Strategies for detection and monitoring stratospheric aerosol injections

Strategies for attribution of observed climate variables to SAI

SAI simulations 1: Model capabilities and validation

SAI simulations 2: Simulation Strategies and Scenarios

Climate impacts of SAI 1: Global and regional Climate

Climate impacts of SAI 2: Atmospheric Chemistry and Health

Ethical aspects of studying, testing and implementing SAI

None of the above

**Presentation Title**

*Please provide a meaningful title*

**Coauthors**

*If applicable, please list here all coauthors and affiliations*

**Abstract (optional)**

*Although not mandatory, you are encouraged to write a short abstract in the box below, or, alternatively, submit a one-page-abstract as additional pdf.*
