Shaping the Future of Polar Research

Be a MENTOR
www.apecs.is

Who we are

The Association of Polar Early Career Scientists (APECS) is an international and interdisciplinary organization for tertiary students, postdoctoral researchers, early faculty members, educators and others with interests in Polar and Alpine regions and the wider cryosphere.

For more information on who we are see:
www.apecs.is/who-we-are.html

**Don't miss an opportunity!
Accelerate your career!
Join for free today!**

**Join APECS at:
www.apecs.is/get-involved/join-apecs.html**

Member benefits:

- Get the latest APECS and Polar news delivered to your inbox
- Find out about international opportunities and funding for early career researcher with APECS partners
- Make new contacts
- Share your research
- Get new ideas

Got a little to give? Want to get more involved? Help lead an international organization!

Get involved in:

- The APECS Executive Committee and Council
  www.apecs.is/who-we-are/leadership.html

- National Committee of your country (or create your own if we do not have one yet)
  www.apecs.is/get-involved/national-committees.html

- Help us plan an APECS activity, event or develop a new resource
  www.apecs.is/get-involved/project-groups.html

Leadership Benefits

- Work with early career / established researchers, and APECS partners from around the world and build your network
- Gain project management, event organizing and teamwork experience
- Get experience working on a commitee
- Make your great ideas happen or help bring others to fruition
- Gain education and outreach experience!
- Meet like-minded people and make new contacts
- Looks great on your CV
- And so much more!
